

An aerial photograph of a mountain valley. A river flows through the center of the valley, surrounded by dense evergreen forests. The mountainsides are rugged and rocky, with patches of green vegetation. The sky is not visible, but the overall scene is bright and clear.

Re-connect, Re-charge and Transform!

Leadership & Team Development Experiences

Lead Well—It's in Your Nature!

1. Activate Your Strengths

- Strengthen your team and performance by better understanding individual and collective strengths, and how they complement each other (using CoreStrengths® or CliftonStrengths)
- Improve ways of working and communicating together.

2. Clarify Your Vision and Values

- Develop a clear vision/ mission and set of values for your team/ organization—your “navigation system” on your collective path to success
- Design a team agreement that brings your vision and values to life.

3. Lead with Courage and Purpose

- Set intentions that ignite your passion and purpose—in your leadership, career, well-being and relationships
- Clarify your personal vision & values, to lead with clarity and confidence and inspire action
- Discover your authentic leadership style by connecting with your Inner Leader and outsmarting your Saboteur/s.

4. Convene Courageous Conversations (Conflict and Coaching Skills)

- Learn core coaching skills and how to give feedback, express needs and set boundaries
- Turn conflict into opportunity and move from “difficult” to courageous conversations, enhancing understanding and connection
- Strengthen relationships and teamwork by communicating with clarity and care, applying effective frameworks, coaching and communication tools.

5. Lead & Thrive through Challenge and Change

- Support yourself and others in facing challenge and change, with confidence and resilience
- Learn change models, apply coaching tools and practice mindful self-care and wellbeing strategies, inspired by nature.

Nourished by Nature: Putting the Thrive Back into Your Life!

1. Re-charge and Re-connect: Forest-Bathing “with a twist”

- Re-charge and (re-)connect with yourself, with others and with nature, enjoying mindful movement in fresh air and beautiful greenery
- Guided by an overall well-being theme (e.g., Resilience, Growth), explore and cherish nature's beauty and the four elements with all your senses—individually and in small groups
- Leave feeling re-connected, re-energized and empowered!
Special accessibility needs can be accommodated.

2. Vinyasa Yoga: Flow Power-fully Outdoors

- Refresh and re-energize with a flowing yoga sequence outdoors, inspired by nature's sights and scents
- Guided by an overall wellness theme (e.g., Empowerment, Compassion), activate your body, calm your mind and uplift your spirit
- Leave feeling more vital, balanced and strong
Customized sessions accommodate a range of abilities and experience levels.
